***Prior Art Citation***

**1. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.**

Kaplan et al. (2002/0180803), Yamauchi et al. (2006/0222340) and Yamauchi et al. (6,336,002), all discloses a recording and reproducing apparatus having a recording medium having title information.

***Reasons For Allowance***

**The following is an Examiner's Statement of Reasons for Allowance:**

**Re claims 1-17**

The prior art of record alone or in combination does not teach or suggest the recording medium and method of recording and reproducing, having the specific recited structure of the recording medium which include:

a navigation area storing navigation data associated with a data stream representing a portion of the title, the navigation data indicating whether the data stream for the portion of the title represents multiple reproduction paths, as set forth in claims 1-5, 16 and 17;

a data area storing clip files of the data stream representing the multiple reproduction paths of the multiple reproduction path portion of the title, each clip file associated with a different one of the multiple reproduction

paths, and the clip files being stored interleaved with one another, as set forth in claims 6-14; and

a data area storing a clip file of the data stream for each reproduction path such that where the reproduction paths represent a same portion of the title, the portions of the clip files representing the same portion of the title are interleaved, as set forth in claim 15.

Re claims 18 and 19

The prior art of record alone or in combination does not teach or suggest the apparatus for recording or reproducing information having the combination of elements with their recited functions, along with having:

a controller for controlling the driver to record navigation data on the recording medium, the navigation data associated with a data stream representing a portion of the title, the navigation data indicating whether the data stream for the portion of the title represents multiple reproduction paths, as set forth in claims 18 and 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
